Old/Unfinished Business:

HARC is looking to do a BBQ in the fall, but dates and times are to be determined. Discussion on the specifics was tabled for the July 2024 meeting.

Don Vary, KD0HHN, after years of hard work and a constant presence in the club, was proposed by Joe, W6JFL, to be awarded Life Membership in the Hannibal Area Amateur Radio Club. The club voted unanimously in favor of Don's membership status. Congrats, Don, and thank you for all the hard work and years of service.

Field Day is fast approaching (June 22-23, 2024). Multiple topics were discussed including where to host this year's Field Day activities. Base 1 in Hannibal (just behind Tom Boland Ford) was chosen, as it has been used in the past with minimal interference to members of the Ambulance District. Also discussed were the different classes of operation and the details that they entail. Logging software that has been provided by

Larry Lauer, WB2UFO, will be available to log all contacts. Otherwise, N1MM Logger has been a popular alternative to ensuring we get all our points.

For further information, Allan, K9AJC, has volunteered as the FD Coordinator. Please direct all questions, comments, and correspondence to him. Don, KD0HHN, will assist Allan with FD information and activities. Eric, N0EMG, will also be our on-site safety officer.

FROM THE PRESIDENT'S DESK
BY JOE LAULETTA, W6JFL

Greetings, Members!

Here comes Field Day! Big thanks to the Marion County Ambulance District for their continued support of our activities. We will be using their Base 1, located at 3120 N Hwy 61 for our Field Day station, possibly as “3F MO,” but maybe more. Also, a big thank you to Allan K9AJC for stepping up as Field Day Coordinator, with Don KD0HHN and Murph N0EMG as assistants. ANY questions about the event should be direct to any of those capable gentlemen.

I would also like to congratulate Don KD0HHN on his Life Member status and the unanimous support he received from the club. I believe it is the least we can do to recognize his service to the club. Give him a handshake if you see him!

I wish you all a productive Field Day. Unfortunately, family obligations will prevent me from attending this year’s festivities. (Somehow, I got roped into hosting the family reunion. “I don’t get no respect.”) Maybe I’ll be able to sneak away to make a contact or two...

73,

-Joe-
